Re: Freedom of Information Act Request EPA-R2-2014-003924

Dear Mr. Ekren:

Enclosed please find documents responsive to your Freedom of Information Act (FOIA) request, seeking information on the RM 10.9 removal action, including: 1) EPA comments on proposed design documents prepared by CH2M Hill; 2) communications with CH2M Hill, de maximis, and the Lower Passaic River Cooperating Parties relating to the repair, funding, scheduling or operation of the Bridge Street Bridge; and 3) communications with CH2M Hill, de maximis, and the Lower Passaic River Cooperating Parties relating to delays in the RM 10.9 removal action caused by the Bridge Street Bridge.

A partial response was provided on March 26, 2014, through FOIAonline. The second response is provided on CD because of some of the information is contained in folders, which cannot be uploaded to FOIAonline. This completes EPA's response to your FOIA request.

Pursuant to 40 C.F.R. § 2.017, EPA will bill transmit a bill for the costs incurred by EPA in searching our files, reproducing documents, and preparing our response to your FOIA request. You should receive the bill through FOIAonline. Please follow the instructions for payment.

Sincerely,

A handwritten signature in cursive script, reading "Sarah P. Flanagan", is written over the typed name.
